PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 01/05/2023 and 01/20/2023.

On December 27, 2022, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Mr. Erickson, as outlined in the judgment and sentence. He signed a copy acknowledging the requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

6	<u>Mandatory Condition #1:</u> You must not commit another federal, state or local crime.
---	--

Supporting Evidence: On or about November 2, 2023, Manuel Erickson allegedly violated mandatory condition number 1 by allegedly committing Second Degree Theft, in violation of RCW 9A.56.040(1)(a), and Second Degree Vehicle Prowling, in violation of RCW 9A.52.100(2).

According to the information available to this officer, on November 2, 2023, officers with the Sedro-Woolley Police Department (SWPD) made contact with the offender. After receiving notification that a computer tablet planted as bait by law enforcement had been stolen, the device was tracked to a vehicle, in which Mr. Erickson was a passenger. Other individuals in the vehicle told officers that the offender was responsible for prowling through a white truck, which is how he had gained possession of the computer tablet.
